HOT SHOT'S SECRET EVERYDAY DIESEL TREATMENT **Superior Power Boost**

Product Overview Everyday Diesel Treatment is a concentrated cetane improver that tremendously upgrades power and performance in all diesel equipment, increasing fuel and maintenance economy.

Applications and Uses Everyday Diesel Treatment is recommended for all diesel engines. It can also be used in furnace fuel oil without producing any harmful emissions.

- Benefits**
- Boosts cetane up to 7 points
 - Improves power and performance
 - Increases fuel economy
 - Stabilizes fuel
 - Adds lubricity
 - Prevents rust and corrosion
 - Cleans engine parts
 - Disperses moisture
 - Neutralizes acid

Cetane improvement gives a smoother, less erratic pressure buildup in the combustion chamber, eliminating potential damage to piston rings and rod bearings and reducing emissions and noise levels. Cetane improvement also provides quicker starts and faster warm-ups at cold temperatures.

Directions for Use Use Everyday Diesel Treatment with every fill-up.
